

# Bring Me Your Peace (Words/music by Tracy Comer)

Intro: D+2 D D+4 D D+2 D D+4 D

G D+2 D  
The day comes in, the day goes out  
G G/A D+2 D  
And I have nothing more to show for it than worries, fear and doubt  
G D+2 D  
The earth spins round and round and round about itself  
C+2 G/B Em A A+4  
And I'm just spinning round myself here like some crazy carousel

C+2 G/B D+2 D  
And there is no reason for this discontentment  
C+2 G/B A+4  
I have no load as great as others bear  
C+2 G/B Em D/F#  
And I know there have been times I've felt a quiet in my mind  
G Em A+4  
And times when I have truly felt you near  
C+2 G/B A+4 A A+4 A  
Could it be, despite my doubts, you still are here?

D D/F#  
*Chorus* *Bring me your peace, O Lord*  
G D/F#  
*Peace that passes all understanding*  
Em D/F#  
*I'm tired of the pace, the impossible race*  
G C+2 A+4  
*It's clouded my mind and it's challenged my faith*  
D D/F#  
*Bring me your peace, O Lord*  
C+2 G/B A/C# D+4 D D+2 D D+4 D D+2 D  
*Peace that passes all understanding*

G D+2 D  
 I see a world of pain and fear  
 G G/A D+2 D  
 Faces bitter and unsatisfied, despite the gold veneer  
 G G/A D+2 D  
 And on the evening news I see their eyes  
 C+2 G/B Em A A+4  
 In headline stories of great tragedies, and broken shattered lives

C+2 G/B D+2 D  
 And towering o'er the ashes are those few  
 C+2 G/B A+4  
 Who won't be beaten down by earthly woes  
 C+2 G/B Em D/F#  
 If they can feel serenity amidst their darkest hours  
 G Em A+4  
 Perhaps the power lies within me, too  
 C+2 G/B A+4 A A+4 A  
 If I could look inside and there find you

D D/F#  
*Chorus* *Bring me your peace, O Lord*  
 G D/F#  
*Peace that passes all understanding*  
 Em D/F#  
*I'm tired of the pace, the impossible race*
