*"This singer/songwriter is key to moving the whole darn genre forward. Her sound is mature and soaked with talent throughout..." - Smother.Net Ezine*

**Tracy Jane Comer** is one to watch in contemporary acoustic music. Hailed as "a versatile vocalist who writes compelling, visual songs" (*Kweevak's Tracks*), Tracy is also a standout guitarist, pianist, and cellist with a rare blend of talent and personality that has gained her sustained media attention as an intelligent and loveable entertainer. Her music is often lauded for its depth and variety, stemming from an extensive musical background that includes undergraduate and graduate study in classical piano, cello and musicology, plus involvement with folk, pop/rock, choral and theater music and many things in between...even a touch of blues and jazz.

*"Although her music is acoustic based, the arrangements go much deeper, culling from classical, folk, jazz, pop and rock...Comer's work is diverse and dynamic. Upon each listen more subtle sounds and styles unfold...Tracy Jane Comer is a musical force..." (Kweevak's Tracks, 2004)*
