More Info from Good Shepherd about the cause:

Your \$25.00 ticket makes it possible for a Good Shepherd Youth and their parent to attend our Summer Mission Trip to the Pine Ridge Reservation in South Dakota. Serving alongside their parent or child we will travel as a community to this unique part of the United States. This is a community that, next to the nation of Haiti, is the poorest of the poor. Our work there will involve doing ministry projects and construction projects as well as learning from, dialoguing with, and worshiping alongside this community. This is a gift that keeps on giving to families in our congregation and the larger body of Christ!

Movie tickets and a popcorn/soda is a night out that is soon forgotten....but THIS is a gift given to the community and a lasting memory. A mouth-watering treat for your taste buds and a gift for your ears! So don your cowboy hat and boots (well, that part is optional) and call a friend, a neighbor, or a family member and enjoy this wonderful concert! Opening Act at 6:30, Dinner and Tracy and friends begin 7:00!
